Research Interests

My research interests include diverse questions in invasive species, distributional ecology, insect-host plant interaction, dispersal ecology, and biodiversity patterns. My work focuses on understanding species invasions, their potential distributions, and invasion pathways, as well as the potential effects of invaders on native and cultivated species. I am also using simulations, ecological modeling, and population genetic approaches to understand migratory patterns of *Urania* moths.

Education

Ph.D. Ecology and Evolutionary Biology with Honors, University of Kansas, USA	2023
M.Sc. Zoology and Animal Ecology, Universidad de La Habana, Cuba	2017
B.Sc. Biology with Honors, Universidad de La Habana, Cuba	2013

Appointments and Professional Experience

Postdoctoral Fellow. <i>Department of Ecology and Evolutionary Biology & Biodiversity Institute. University of Kansas</i> , Lawrence, KS, USA.	2024–present
Lecturer. <i>Facultad de Biología, Universidad de La Habana</i> , La Habana, Cuba.	2014–2017
Instructor. <i>Facultad de Biología, Universidad de La Habana</i> , La Habana, Cuba.	2013–2014

Research Experience

POSTDOCTORAL RESEARCHER

Project: **NSF DEB-BOCP-Biodiv on Changing Planet (2225013). Using the Past to Predict the Future: How Physiology and other Functional Traits Determine Survival/Extinction in W. Atlantic Mollusks.** Advisor: Bruce S. Lieberman, PhD. Department of Ecology and Evolutionary Biology & Biodiversity Institute, University of Kansas. 2024–present. **Main Activities:** data analysis, ecological modeling, grant-proposal development, student mentoring.

GRADUATE RESEARCH ASSISTANT

Project: **United States Department of Agriculture Animal and Plant Health Inspection Service. Modeling Projects to Support and Advance Aquaculture Surveillance and Risk Assessments.** Advisor: A. Townsend Peterson, PhD. Biodiversity Institute, University of Kansas. Spring 2022-Fall 2023. **Main Activities:** data collection of oysters and the invasive pathogens that affect them, data analysis, and ecological modeling.

Project: **NSF EPSCOR (OIA-1920946). Marshaling Diverse Big Data Streams to Understand Risk**

of Tick-Borne Diseases in the Great Plains. Advisor: A. Townsend Peterson, PhD. Biodiversity Institute, University of Kansas. Spring 2022-Summer 2022 and Summer 2023-Fall 2023. Main Activities: field work for tick collections, data collection, and data analysis.

ASSOCIATED RESEARCHER

Project: Ecological bases for restoration of degraded ecosystem biodiversity and functionality in southern Ecuador, in the face of potential global environmental changes. Advisor: Nikolay Aguirre, PhD. Programa de Investigación de la Biodiversidad y Servicios Ecosistémicos, Universidad Nacional de Loja. 2016–2017. Main Activities: project design, data collection, data analysis, ecological modeling.

Fellowships, Grants, and Awards

- 20 Presidential Postdoctoral Fellowship, Virginia Tech, USA. 2024. **\$186,176.**
- 19 Entomology Finishing Fellowship, University of Kansas, USA. 2023. **\$13,500.**
- 18 Entomology Travel Award (H.D. Hungerford Fund), University of Kansas, USA. 2023. **\$1,500.**
- 17 Graduate Student Travel Fund, Academic Affairs and Graduate Studies, University of Kansas, USA. 2023. **\$750.**
- 16 Felipe A. Gomez Award, Department of Ecology & Evolutionary Biology, University of Kansas Endowment, University of Kansas, USA. 2022. **\$3,000.**
- 15 Entomology Travel Award (R. H. Beamer Scholarship Fund), University of Kansas, USA. 2022. **\$2,000.**
- 14 Biodiversity Institute Panorama Grant. University of Kansas, USA. Summer 2022. **\$1,000.**
- 13 Doctoral Student Research Fund. University of Kansas, USA. 2022. **\$1,500.**
- 12 CLAS Graduate Scholarly Development Fund. University of Kansas, USA. 2022. **\$500.**
- 11 Deal Scholarship Fund from the Entomology Division, Department of Ecology & Evolutionary Biology, University of Kansas, USA. 2021. **\$7,000.**
- 10 Robert Oppenheimer Memorial Scholarship from the Center of Latin American & Caribbean Studies, University of Kansas, USA. 2021. **\$2,500.**
- 9 Biodiversity Institute Panorama Grant, University of Kansas, USA. 2020. **\$1,000.**
- 8 Entomology Travel Award (R. H. Beamer Scholarship Fund), University of Kansas, USA. 2020. **\$1,500.**
- 7 Entomology Graduate Summer Support (John M. Deal). Department of Ecology & Evolutionary Biology, University of Kansas, USA. 2020. **\$5,500.**
- 6 Google Summer of Code 2020 program, USA. 2020. **\$6,000.**
- 5 Biodiversity Institute Travel Award, University of Kansas, USA. 2019. **\$350.**
- 4 Ecology and Evolutionary Biology Department Travel Award, University of Kansas, USA. 2019. **\$350.**
- 3 Graduate Student Organization Travel Award. Department of Ecology & Evolutionary Biology, University of Kansas, USA. 2019. **\$375.**
- 2 Entomology Graduate Summer Support. Department of Ecology & Evolutionary Biology, University of Kansas, USA. 2019. **\$5,000.**
- 1 Leaman D. Harris Biodiversity Scholarship. Biodiversity Institute, University of Kansas, USA. 2019. **\$2,996.**

Outreach Experience

- 15 **K-Pop “Amazing Insects”.** *Activities:* Creation of materials and didactic activities and facilitator. *Scope:* General public. Biodiversity Institute, University of Kansas, Lawrence, Kansas, USA. Spring 2024.
- 14 **Amazing Pollinators Kids Program.** *Activities:* Creation of materials and didactic activities to explain insect-mediated pollination and facilitator. *Scope:* Kids from 7 to 11 years old and general public. Lawrence Public Library, Lawrence, Kansas, USA. Spring 2024.
- 13 **Celebrating Women in Science.** *Activities:* Creation of materials and didactic activities and facilitator. *Scope:* KU undergraduate students and general public. Biodiversity Institute, University of Kansas, Lawrence, Kansas, USA. Spring 2024.
- 12 **Climate Change Club.** *Activities:* Organizing and co-leading, gathering information, creation of materials and didactic activities, and facilitator. *Scope:* junior high school students from the Kansas City, Kansas public school system. Biodiversity Institute and KU TRIO Talent Search program, University of Kansas, Lawrence, Kansas, USA. Spring 2024.
- 11 **Read Conmigo Summer program.** *Activities:* Gathering information, creation of materials and didactic activities, Spanish translator, and facilitator. *Scope:* K12 teachers of several courses and levels of education. Center of Latin American and Caribbean Studies, University of Kansas, Lawrence, Kansas, USA. Summer 2023.
- 10 **Celebrating Women in Science.** *Activities:* Creation of materials and didactic activities and facilitator. *Scope:* KU undergraduate students and general public. Biodiversity Institute, University of Kansas, Lawrence, Kansas, USA. Spring 2023.
- 9 **Kansas Ecology for Elementary Schools (KEES).** *Activities:* Creation of materials and didactic activities, instructor, facilitator, and Spanish translator. *Scope:* 3rd grade students of five Elementary Schools, one of them dual language, from Lawrence and Topeka. University of Kansas, Lawrence, Kansas, USA. Fall 2018-present.
- 8 **Mini BugBlitz.** *Activities:* Facilitator. *Scope:* General public. Biodiversity Institute, University of Kansas, Lawrence, Kansas, USA. Fall 2018.
- 7 **XXVIII Jornada Científica Estudiantil.** *Activities:* Organization and committee member. *Scope:* Undergraduate students from Biology major. Universidad de La Habana, Havana, Cuba. May 2016.
- 6 **III Bat festival.** *Activities:* Instructor and facilitator. *Scope:* General public. National History Museum of Cuba, Havana, Cuba. October 2015.
- 5 **XXVII Jornada Científica Estudiantil.** *Activities:* Organization and committee members. *Scope:* Undergraduate students from Biology major. Universidad de La Habana, Havana, Cuba. May 2015.
- 4 **Open House.** *Activities:* Organization and facilitator. *Scope:* High School students that want to attend college and start a major in Biology. Universidad de La Habana, Havana, Cuba. June 2014-2016.
- 3 **XXVI Jornada Científica Estudiantil.** *Activities:* Organization and committee members. *Scope:* Undergraduate students from Biology major. Universidad de La Habana, Havana, Cuba. May 2014.
- 2 **VI Festival of the Cuban Sandhill Crane.** *Activities:* Creation of materials and activities for the festival, instructor, and facilitator. *Scope:* Elementary school students from rural areas of Ciego de Ávila province. Empresa para la Protección de la Flora y la Fauna, Ciego de Ávila, Cuba. March 2012.
- 1 **V Festival of the Cuban Sandhill Crane.** *Activities:* Creation of materials and activities for the festival, instructor, and facilitator. *Scope:* Elementary school students from rural areas of Ciego de Ávila province. Empresa para la Protección de la Flora y la Fauna, Ciego de Ávila, Cuba. February 2011.

Fieldwork

2023	Kansas, USA	Surveys of butterflies for strategic planning, Field lead
2022	Cuba	Moth and host plant sampling in western Cuba, Field lead
2021-2022	Kansas, USA	Small mammal and tick survey in Public Lands, Field assistant
2021	Kansas, USA	Greater Duckweed sampling across the State, Field assistant
2022-2023	Kansas, USA	Tick and tick-pathogen survey in Public Lands, Field assistant
2019	Cuba	Moth and host plant sampling in eastern Cuba, Field lead
2018-2019	Kansas, USA	Surveys of butterflies, Field lead
2017	Ecuador	Invasive Bullfrog surveys in the Amazon region, Field assistant
2017	Ecuador	Surveys of butterfly species in Botanical Garden and National Protected Park, Field assistant
2013-2017	Cuba	Survey of invertebrates across the main Cuban Island, Field co-lead
2009-2013	Cuba	Monitoring Cuban Sandhill Crane and other aquatic birds, Field co-lead
