

Request for Change to IGC Plan of Study

Approval Form

IGC fellows may request substitutions to the Science Communication requirement for the IGC Fellow [course curriculum](#). No exemptions or substitutions will be granted for the three 1-credit IGC Seminars.

Please email the information below to the [IGC Coordinator](#), and cc the chair of your PhD Committee. The IGC IGEP Director will make decisions on IGC course substitutions. You will receive a confirmation of receipt, and a prompt notification of approval for the change to plan of study or further consultation if needed.

Date submitted to IGC Coordinator: _____

Fellow name: _____

Chair of PhD committee: _____

Home Department: _____

Dissertation topic: _____

Proposed substitution / exemption (include proposed course dept., course #, title, and date taken if applicable):

Please explain why the proposed substitution / exemption is a good fit:
